

User Story 1: As a customer, I want to create an account so that I can have the ability to book a gym appointment. combined with user story 7
User story 2: As a user I want to log in to the system to view my dashboard
User story 3: As a user, I want to read the about-us section so that I can see if the service meets my needs
User story 4: As a logged-in user, I want to see my dashboard so that I can view vital information of scheduled session
User story 5: As an admin I want to view the booking summaries so that I can view the busiest times of the gym.
User story 6: As a worker, I want to view my upcoming shifts on the dashboard so that I know when I am required next for work.
User story 7: As a user, I want to create an account so that I can register myself/business on the platform
User Story 8: As a new registering user, I want to input my personal detail so that I can create a user profile
User Story 9: As a logged in admin, I want to be able to add or edit a new employee's details to better schedule working days
User Story 10: As a logged in admin, I want to be able to add or edit working time/dates for the next month so that I can reschedule rosters
User Story 11: As a logged in admin, I want to be able to look at the summary of past or new bookings sorted by date order so that I can easily see them in chronological order
User Story 12: As a customer, I want the dashboard to show available days/time and services so I can make an informed decision about my booking
User Story 13: As a customer, I want to be able to check the worker who is providing the service so I can choose which provider I want to use
User Story 14: As an existing customer, I want to be able to change my personal details so I can keep my account information up to date.
User Story 15: As a registered customer who previously made a booking, I want to cancel my booking so that it's available for other users

User Story 16: As an admin I want to remove appointment on the behalf of the customer so that that timeslot can become available to another user

Users Story 17: As a customer making a booking, i want to be told i can cancel 2 days prior to appointment so i can make an informed decision if my circumstances change

Users Story 18: As a user who accidentally pressed to cancel an apointment i want to be propted to confirm cancellation so that i don't accidentally cancel

Users Story 19: As a customer, I want to see all my previous appointments from the last year, so I can add them to my journal

User Story 20: As a customer, I want to see the details of each appointment, so I can log them into my journal.

user Story 21: As a worker, I want to view my working schedule so I can see how many hours I am working this week.

User Story 22: As a worker, I want to see the details of the appointment, so I can prepare for it in advance.

user Story 23: As a logged in customer I want to book a service a few weeks in advance so i can plan and organize my schedule for the month

User Story 24: As a busy customer trying to book an appointment for a specific time and date which has already been taken, I want to be told explicitly why I can't make the booking so that i don't just think it's an error and get frustrated

User Story 25: As a business owner I am not always available/open, I want the customers to only be able to book at times I have chosen so that a customer does not organize an appointment when I'm not there
